

Aims and scope

AsiaIntervention Journal is an international, English language, peer-reviewed journal whose aim is to create a forum of high-quality research and education in the field of percutaneous and surgical cardiovascular interventions.

It is released twice a year, in paper and electronic formats. AsiaIntervention is indexed in MEDLINE®/PubMed Central®.

AsiaIntervention is the official journal of the Asian-Pacific Society of Interventional Cardiology (APSIC) and the Interventional Cardiology Foundation of India (ICFI).

The journal and the contributors are protected under copyright, and the following terms and conditions apply to their use:

Photocopying

Single copies of single articles may be made for personal use as allowed by national copyright laws. Permission from the publisher and the payment of a fee is required for all other photocopying.

Derivative works

Subscribers may reproduce tables of contents or prepare lists of articles including abstracts for internal circulation within their institutions. Permission from the publisher is required for resale or distribution outside the institution. For all other derivative works permission should be sought from the publisher.

Electronic storage or usage

Permission from the publisher is required to store or use electronically any material contained in this journal, including any article or part of an article. Please contact Europa Digital & Publishing.

Notice

No responsibility is assumed by the publisher for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material. Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.

Disclaimer

The publishers and editors cannot be held responsible for errors or any consequences arising from the use of information contained in this journal; the views and opinions expressed do not necessarily reflect those of the publisher and editors, neither does the publication of advertisements constitute any endorsement by the publisher and editors of the products advertised.
